Clarice Gibson, Corres.

What a beautiful week end. It made one want to start getting things done around the grounds. Mr. and Mrs. Stan Brown had the old trees, by the road, in front of their house cut by David Fleet. We had an old oak tree that was hollow felled by "Bo" Lovejoy. With the winds of the last few weeks the snow went easy and has dried out the ground so that rain would be welcome. Quite a few people have got in seeds but will not sprout until we get rain.

Next week end is Mother's Day and I wish to thank a reader very much who wrote this poem and gave me.

To My Mother

So swiftly follows day on day that one's much like another, But on the 14th day of May, I always visit Mother.

She greets me with a tender smile Her eyes light up with pleasure Long years seem but a little while; I'm still her youthful treasure.

My mind back o'er the past years, It passes realizing, Thru times of joy and scenes of tears

And incident surprising And so I stroke her thinning hair As white as snow-wind driven, I think of all the tender care, Her patient hand has given.

And as she sits and reads the Book; To her a beacon guiding Upon her face there shines a look Of joy and peace abiding.

As her life draws near its close, In peaceful meditation, I pray the faith and love she knows

May be my inspiration.

I love you Mother

HAPPY MOTHERS DAY MOM
 You're a special kind of Mother
 that we are proud to claim.
 The kind who knows about our
 faults

and loves us just the same.
 You shed a sympathetic tear
 or join us when we sing,
 You know just when to give advice
 or not say anything.

And when we need you
 you're around to lend a little
 cheer.

You hear our gripes and troubles
 with your understanding ear.
 You even like our crazy ways
 or act as though you do.

You make us feel there's nothing
 that we couldn't share with you.
 We couldn't count the many kind
 and thoughtful things you've
 done.

For comfort or encouragement
 and sometimes just for fun.
 You've taught us lots of lessons
 and this one holds true,
 That not a person in the world
 could have a Mother so dear as
 you.

Your loving son and daughter,
 Stuart and Sheri McInnis

"MOLLY OCKETT" FEATURED AT BETHEL HISTORICAL SOCIETY MEETING

Over 85 persons, a record at-
 tendance, were present at the
 monthly meeting of the Bethel His-
 torical Society held last Thursday
 evening, May 4, at the Moses Ma-
 son House. Featured speaker was
 Mrs. Helen Leadbeater of Frye-
 burg, a graduate of Swarthmore
 College, who has done extensive
 research on Maine Indians, in-
 cluding Molly Ockett.

In the light of the many legends
 concerning this famous Indian,
 Mrs. Leadbeater returned to the
 primary sources in order to deter-
 mine what facts about Molly Ock-
 ett are supported by the historical
 evidence. One of the best known
 stories about Molly is that she
 lived to be over 100 years old, some
 say as old as 140 years. The evi-
 dence indicates, according to Mrs.
 Leadbeater, that she was no older
 than 86 nor younger than 72 when
 she died in Andover in 1816. An-
 other myth corrected by Mrs. Lead-
 beater was the one that she passed
 her entire life in the Andro-
 scoggin and Saco River valleys. In
 fact she lived for a time in Cana-
 da, New Hampshire, Vermont,
 and Plymouth, Mass. She even
 spent one year in Boston with the
 Clark family.

In Mrs. Leadbeater's opinion
 Molly Ockett's reputation as a healer
 was well deserved. She also was
 a fine story teller, hunter and a
 good friend to many of the white
 settlers.

During the business portion of
 the meeting, the revised consti-
 tution presented at the last meet-
 ing was approved. The entire text
 of the constitution and by-laws
 will be published in the next issue
 of the Society newsletter to be
 published in June.

WALKING WITH JESUS CHRIST

The Kentucky Derby, the race of the thoroughbreds—horses bred into championship class and able to run the race to bring honor to their rider and owner. To one goes the victory—while others win across the finish line. Yes, there are losers too, however; they have the distinct honor of having taken part in this classic of horse races.

as for the race of man toward eternal glory—we read in the Bible: Ec 9-11 "I returned, and saw under the sun, that the race is not to the swift, nor the battle to the strong, neither get bread to the wise, nor yet riches to men of understanding, nor yet favor to men of skill; but time and chance happened to them all." What this says is that we all have the time and opportunity to accept Jesus Christ as our Saviour and Lord of our lives. That our race is not of our own power nor making, but putting our trust in Christ; for He has already won the victory for us. (Rev. 14:14). By His substitution on the cross for each and every one of us—we too may wear the crown of victory promised to us by the great "I am", the Lord.

Yes, in every race there are losers too—for ever so many reject Jesus Christ as their Saviour—preferring to go their own way. For them at death awaits the eternal fires of damnation, Rev. 21:8. "But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death."

But yet there is time! God has made a way out of sin—as known in Hebrew "as a wrong path". He has sent his only begotten son (John 3:16) that through Him we may have forgiveness of sin and an eternal life with joy! God is a righteous God—a God of love, we have every day call on His name, Romans 10:9—"That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised Him from the dead, thou shalt be saved."

Angels rejoice—when we on our knees to adore Jesus our choice, to walk in His love divine—when in death we cross over Jordan's bank with His hand in mine.

Rejoice ye believers in the glory of God.

"But give thanks to God, which giveth us the victory through our Lord Jesus Christ". 1 Corth. 15:57.

WEST BETHEL CHILDREN'S CENTER This week at the Center we are making granola with the children, playing the game "Duck, Duck, Goose," using the balance beam, painting at the easel, and playing in the water table. We've learned a new song this week, "The Muffin Man." The kids love it.

Our star of the week is Justine Lynch.

We will be traveling to Mt. Zion for our weekly trip to watch them bottle soda. It is really fascinating for the children to watch the machinery.

This Friday at the Bethel Savings Bank our parent group will be sponsoring a Craft and Bake Sale to benefit the Center. We'd like to see you there!

We would like to have a small garden with the children this summer. If the weather keeps up we have any extra seeds or seedlings to donate? We're also going to need our plot rototilled and banana, milk.

to Dec. 31, fiscal year and M. S. A. D. #44 on a July 1 to June 30 fiscal year, one-half of the FY 1978 and half of FY 1979 assessment will be paid by the towns during 1978. Newry to pay a total of \$26,342 Jan. 1 to June 30, and \$43,457 July 1 to Dec. 31, compared to \$49,818 for the calendar year 1977, an increase of 40% or \$19,981. This increase, together, with an increase of \$2,081 in the County Tax for 1978, would mean an increase of 3.6 mills in the tax rate under the 1977 valuation. The 1977 rate was 11 mills.

Some increase in valuation is expected for 1978, due to an increase by the State in Tree Growth Valuations and new buildings and adjustments.

The increase in the Tree Growth Tax Rate, which is set by the State, amounts to \$12.90 per acre for soft wood, \$8.70 per acre for mixed growth and \$4.50 for hardwood. Some additional acreage was placed under Tree Growth this year, but with the increase in valuation, an overall increase is expected. New valuation will be gained by new buildings and adjustments, also. The assessors have been working on assessing buildings and expect to have the valuation work completed by mid May.

An increase in local appropriations of \$7,689 at the annual town meeting will be more than offset by additional revenue of \$6,520. However, the large increase in the school/budget and County tax will mean an increase in the 11 mill rate for 1977. The increase in the County tax and S. A. D. #44 budget is due largely to an increase in State valuation, mostly because of additional value in the Sunday River-Skiway area.

Jeanne Mason held a housewarming party at her home on Curtis Hill. Kay Mason demonstrated the dishes and explained their uses.

Christine Campbell had a weeks vacation last week. She cared for Rebecca Ross while her mother was in the hospital.

Mr. and Mrs. Stanley Ross are receiving congratulations on the birth of a son, April 25. Mrs. Ross is the former Karen Campbell.

Several from this way attended special town meeting at Bryant Pond. Leslie Thurlow was elected to fill the unexpired term of Parker Allen as selectman. The town manager vote of the regular meeting was rescinded. Our town is too small to have such expensive management. It was the only sensible thing to do.

A card shower was tendered Jessie Andrews on her birthday, May 3, by the Willing Workers.

Our sympathy is extended to the family of Percy Jefferson whose funeral was held at the I. W. Andrews funeral parlors May 2.

Frank Campbell helped me put the sod back on the lawn which was so dry with the winter by the snow plow. It was some job. We tried to fit the sods back where they came from but it is a rough job, at the best, I hope it will fill in so I can mow over later as the rain settles it.

Mr. and Mrs. Don Demarest attended the 19th New England Square Dance Convention at Danville, Mass., Friday and Saturday, April 28-29, returning home Sunday.

Mr. and Mrs. Everett Arey, Port La Tour, Nova Scotia (Shelbourne) spent Sunday night, April 30, with Mr. and Mrs. Maynard Fleming.

Mrs. Mary Brown came Sunday, May 7, to spend some time with her daughter, Mrs. Guyson Davis.

This has been a busy week for Grangers. Monday night attended Gentlemen's Night at Franklin Grange; Tuesday night, Oxford Pomona Youth Night at West Paris; Thursday night, three point meeting at West Paris. Franklin Grange filled the chairs and program. Friday night I went to Oxford Grange OWA night and Saturday I attended a day meeting in which the Turner Grange honored Dorothea Gibbs with "This is your Life" Story.

Devens Andrews has been harboring a cold but has been able to get back to work again this week.

Olive Davis called on Mrs. Mary Billings Wednesday. She also called on Leslie and Edith Bryant. In fact they insisted that she should take dinner with them; and she did.

We have been enjoying some parsnips from my garden. They are the sweetest ones I've ever had—only a Chinaman is holding on the long roots. I've yet to pull one up but he seems to be enjoying his end of my parsnips which I can't seem to retrieve.

BARRACKS & AUXILIARY #2943

— MET WEDNESDAY, MAY 3

The Barracks and Auxiliary #2943 met at the Legion Hall on Vernon Street, Wednesday, May 3. After a pot luck dinner was served at noon to 15 members, the Lord's Prayer was said in unison under the leadership of Olive Head. The dinner committee, Maud Danforth and Leona Lurvey served a lovely dinner. Due to illness, the third member of the committee, Marjorie Cummings was not able to be present. Adeline Dexter and Olive Head conducted a very successful silent auction. Donations were made to the several organizations as requested by the families of four recently deceased Barracks buddies.

Installing the new officers for the year was one of the past presidents. Hilda Donahue. The absent officers chairs were filled by the president, Mary Bishop.

The State Convention is to be held at Farmington State Teachers College, June 8 and 9. As of this date ten plan to attend. Delegates Hilda Donahue, Frances Bennett and Leona M. Curtis; alternates are Maud Danforth, Jane Van and Adeline Dexter.

The next Barracks and Auxiliary meeting will be Wednesday, June 7, and further plans will be made. Dinner committee for this meeting is Rose Taylor, Jane Van and Cora Bennett and it will be a pot luck dinner.

The May holidays were observed under the leadership of Adeline Dexter who had several appropriate articles read. The days observed were Mother's Day, Poppy Day, Memorial Day, our Flag, Birthday and Father's Day. Joia Forbes is the Americanism chairman but was unable to be present so Adeline Dexter helped compile the material for the very interesting program which took place at the table after the dinner hour.

West Bethel

— Mrs. Lona Gilbert, Corres. —

The weather is lovely this Monday morning with temperature near the 60° mark in the shade mid morning. Sunday was a nice sunny day with high temperature. We need warm weather to take off the snow in the wooded and sheltered areas. We also need some warm rain as top soil is very dry.

There have been quite a few improvements made in West Bethel this spring. Some have enlarged their house by building on. A number have had their driveways paved. Sunday morning the ones attending the West Bethel Church enjoyed the repaired walk leading into the church. It was a gift from Richard Cooper of Old Orchard Beach. Bert Griffith is the pastor of the Church. There is a very good attendance every Sunday.

Mrs. Frances Bennett and her sister, Mrs. Evelyn Aremburg are now in West Palm Beach, Fla. Mrs. Bennett has recovered very well from the accident. Mrs. Aremburg is having to use a walker by latest report. They aren't sure just when they will be coming home.

Mr. and Mrs. Ray West and children called on Mr. and Mrs. Cleveland Lovejoy on their way home from visiting Mr. and Mrs. Alfred Lovejoy in Michigan. They reported good fishing in Lake Michigan.

Mrs. Tyrene Lovejoy attended a products meeting at Naples, on Tuesday, May 2.

Mr. and Mrs. Alanson Cummings with Mrs. Cathryn Lovejoy, Shane and Angela Lovejoy, were in East Oxford to call on Mr. and Mrs. Marcus Strother on May 2.

On Thursday of last week, Mr. and Mrs. Cleve Lovejoy, Mr. and Mrs. Alanson Cummings and Mrs. Tyrene Lovejoy attended Legion Auxiliary at Locke Mills.

Mrs. Helmi Loffreda came Saturday to spend the week end with Mr. and Mrs. Cleve Lovejoy. On Sunday Mrs. Tyrene Lovejoy and Angela, Mrs. Helmi Loffreda and Miss Ellen Lovejoy were among the candidates initiated into the Jackson-Silver Unit. Mrs. Pannie Cummings and Mrs. Cathryn Lovejoy were part of the initiation team. Cleveland Lovejoy played the piano and Alanson Cummings took some pictures.

Master Shane Lovejoy visited his grandparents, Mr. and Mrs. Wilbur Sweetser Sunday.

Mr. and Mrs. Robert Gilbert have sold their place in West Bethel. They expect to move the last of this month to a place in South Paris which they recently bought.

Mr. and Mrs. Robert Gilbert and

Brooks that sing their gladness; trees spreading their branches to the sky; seeds that split the earth apart; this is May, May, a favorite month, offering so much, especially after a long period of cold. May, with young leaves and blossoms, golden bees taking hesitant flights to gather their nectar, new born animals, furred and seeking adventure while on wobbly legs; birds that sing and display their courtship colors. All around, things are gloriously alive.

Dawn is always an exciting time in fair weather. There is the magic of the timeless sun as it peeps above the horizon. This morning I watched it hit Patch Mountain and all the hills on its knees. The cloud cap had lifted, and the mists dipped close to the valley floor then vanished.

"I hope that every morning finds me prepared to go Where unfamiliar pathways run And where strange waters flow. I never want to see the day When I no longer thrill In prospect of the joys that may Lie just beyond the hill."

—Lawrence Hawthorne

So many changes, I have seen this week; Dutchman's Breeches, singularly fragile and spring-like in its appearance as its heart shaped blossoms nod from rocky ledges where they thrive best; Bloodroots, Hepaticas are in bloom.

Ruth came for our first walk together this year. We went to the

Patch Mountain Road. The first hill was down, and we were greeted by a black butterfly with yellow at the edge of its wings; probably a Mourning Cloak, one of the earliest of spring.

At our left near the bridge we noticed an array of green, solid-looking spears which had just appeared above the ground. They are very noticeable early forming conspicuous masses of foliage while the trees and shrubs are still leafless. This Indian Poke has dingy flowers and seldom attracts attention.

Of course we had to stop and listen to the flow of water under the bridge, and view the mosses. All was hushed in this instant of peacefulness. Shifting shadows on the surface of a hidden pool lightened and darkened.

We moved on by the camps and up the next hill until we came to a place in the road with at least eight inches of snow. We could have gone through if we had needed to do so. Instead we did what Alexander Graham Bell once commented, and my philosophy too. "Don't keep forever on the public road. Leave the beaten track occasionally and dive into the woods. You will be certain to find something worth thinking about to occupy your mind. All really big discoveries are the result of thought."

We made no big discoveries but there were little ones along the woody road. We were motivated by curiosity and by attractions around us. Sound was muted as though nature forbade all but

whispers. Mosses were green against patches of unmelted snow. We walked slowly to observe, indeed, time was of no consequence, as we became involved in our surroundings.

We continued as far as we could go because of the snow, turned, and went back completing two miles under the blue sky, a sunny afternoon while in among the trees mounds of crusted white clinging stubbornly to the forest floor.

Since then I have climbed to the Diamond Ledge, alone, been to look for my Skunk Cabbage, which has not appeared; a disappointment for I so hoped that it would live. Then another walk completed my 100 miles since January first.

Ann Holt came home to spend the day Sunday with her mother who celebrated her birthday. She watched the sun rise from the same room in which she was born 60 years ago, May 7. My callers this week were; Er-

nest and Ina Mundt, Sylvia Luxton, Bethel; Carl and Lettie Brooks, West Paris; Ruth Hastings, South Paris; George and Lucy Ridley, Norway; Katherine Hakala, Frank and Dorothy Curtis, Town, Norway; Katherine Hakala, Frank and Dorothy Curtis, Town.

Ruth Hastings and I attended the Delta Kappa Gamma meeting at the Moses Mason House in Bethel on Saturday morning.

Leonas, Fay and Ann Holt and I spent Sunday afternoon with Mr. and Mrs. Robert Holt and Danny at their home in Windsor. Danny and his grandmother had birthdays.

Del and Betty Hayes, Auburn, were at the Hayes Homestead on Saturday; Duane and Avis Hayes and girls, West Paris, were there Sunday. Scott Hayes, West Paris, was there for the week end.

Edla Tamlander, the oldest of our little community, celebrated her birthday on May 7. She had many callers, gifts, and cards.

Protect Your Home While Away

When a family goes on vacation, they leave behind savings of a lifetime in their home and personal possessions. Here are some helpful precautions.

Notify your local police department of the dates that you'll be away from home and how you can be reached. Leave this same information and keys with a neighbor for emergency use in case of a burglary or fire.

Stop all deliveries—newspaper, mail, etc. A home with papers piled on the doorstep is an invitation to a burglar. Leave a light burning in one of the rooms, or better yet, in-

stall an automatic timing device which will turn lights on at dusk.
Just before leaving, double-check locks on all doors and windows. This is a good time to also make certain that all gas outlets, electrical appliances, and water faucets have been turned off.

If there is anything we can do to help you in the field of real estate, please phone or drop in at EARLY REAL ESTATE, 60 Main St., Bethel. Phone: 824-2122, 824-2579. We're here to help!

STEARNS OF ALBANY
RECEIVE THE
GRANGE FARM FAMILY AWARD

Mr. and Mrs. Hugh Stearns of Albany have been awarded the Grange Farm Family Award.

This award is given each year to a deserving farm family sponsored by the Maine State Grange Agricultural Committee. Subordinate Granges in the state are supplied with applications and may submit names from their granges to recognize those who have subscribed to those principles of Agriculture. Applicants must be active farming families and earn at least 75% of their income directly from the farm; those retired and not engaged in any other occupation are also eligible. No two farm families are alike. Entries can be made by families themselves, by the Grange to which they belong, or by other individual Grange members. The activities of each family in their Grange, their Church and their Community, are also a basis for the award. John and Beverly Ingraham of Freedom Grange and members of the Maine State Grange Agricultural Committee attended a meeting of Round Mountain Grange No. 162 of Hunt's Corner, Albany, on Monday, May 1. Master Leah Deegan and Treasurer Mary Keniston accompanied the Ingrahams to the Stearns' home to present them the Plaque. Also present was Barbara Stearns Inman, their daughter.

The Stearns are retired farmers and for most of their lives have been an active farm family. They are most faithful workers for the Grange and Church in their community.

Round Mountain Grange No. 162 submitted their names last year for this award. Hugh joined the Grange in 1925 and Edith in 1914. They have been awarded 50 year pins and are Golden Sheaf members. Grange members are very happy that they were chosen to receive this award.
